Dear Parents/Guardians,

RE: MULTI SPORTS DAYS FOR NEW YEAR 7'S
Thursday 27th / Friday 28th August 2020

I am very pleased to inform you that Wilmington Grammar School for Boys will be running two multi sports days before the start of the new school academic year. This opportunity is only available for students, currently in Y6 and will be coming to Wilmington Grammar School for Boys next year. This is an amazing opportunity for your son to get to know his future school peers in a friendly, fun environment. Given the situation this year and it not being possible to have an induction day, the school feels that this is an amazing opportunity to get to see the school and make some friends before school starts on the 2nd September 2020. The programme will run subject to all the necessary risk assessments being completed, including those for Covid-19.

The days are split into four sessions where we will be doing a number of different activities from football, badminton, capture the flag, table tennis, basketball, team building and many more activities. We will also be making use of our fully equipped fitness gym.

These days are always enjoyable and fun, they are designed to help the students get to know each other and make a few friends before they enter their secondary school formally. We have been running the multi sports days for the last 6 years and the feedback from parents and students has always been excellent.

If your son would like to take part in the multi sports days, please complete the booking form and ensure that you have read the terms and conditions. If your son would like to attend one day it will cost £35 and if they would like to do both days the cost is £60. Payment will need to be made on ParentPay by Wednesday 22nd July with the enclosed booking form. We apologise for the short timing but I am sure you will appreciate that things have been a little complicated recently.

If you have any questions regarding the multi sports days, please feel free to speak to us by phone or email office@wgsb.co.uk.

Yours sincerely

Mr A P Smith
Assistant Headteacher
